Sir:

In response to the Interview Summary of July 3, 2007, the Applicant submits the following interview substance as required under 37 C.F.R. 1.133.

A telephonic interview was conducted between the Examiner Daniel Washburn, and the Attorney for the Applicant Ronald S. Grubb, on June 22, 2007, at which time, the cited references Kfoury and Smith were discussed. A number of limitations to the Applicant's independent claims were discussed based upon features disclosed and described by Applicant's Fig. 2, including a portioned display having a picture display area, a sub-menu display area and a soft key guide display area.

No agreement regarding the claims was reached. Further, the addition of limitations generally disclosed in Fig. 2 would require further search and consideration by the Examiner.

Respectfully submitted,

Ronald S. Grubb
